MABEL MEYER'S FRIENDSHIP BOOK

Agnes Dikeman, Saline, Michigan

The following list of names was taken from Mabel Meyer's Friendship Book, which was given to the Saline Area Historical Society many years ago. Anyone wishing to see it should visit the Rentschler Farm Museum during regular Saturday hours, 11:00-3:00. It would be wise to make a contact ahead of time by writing salinehistory@earthlinkverizon.net.

On the inside cover page is written, "This Book is Dedicated to Mabel Helen Meyer, in remembrance of the day of Confirmation, from your sister Elsa Meyer; Saline, Mich. April 13, 1919."

The entries appear in various hands. It is my opinion that the owner used her book as an autograph book, as well as a record of birthdays. Some entries only show a name. Some show a year; some two years. There is no explanation of the years given. However, it is quite probable that the first year is the year of birth and the second year is the year in which each autograph was recorded.

Two obituaries were found inside the book and they are transcribed here, at the end of the listing.

REV. FRIEDRICH SCHMID'S DEATH RECORDS, 1834–1874, WASHTENAW COUNTY, MICHIGAN (PART THREE)

Translated & transcribed by John H. Schmale and Rob Steward, 1986

(*Continued from Vol. 32 No. 2, p. 29-35)*

The original records of Rev. Friedrich Schmid are currently housed and may be accessed in The Michigan Historical Collections, Bentley Historical Library, University of Michigan, Ann Arbor, Michigan.

Please note that the handwriting of Rev. Schmid is not easily deciphered, in part due to his penmanship. The records contain entries written in old German script and some using English script. In addition, the pages in his records are not numbered. It is our understanding that he kept notes as he traveled and then entered then into his record books when he returned home. This may explain that while the records are fairly complete there are some gaps or omissions.

We have maintained the spelling Rev. Schmid used in the case of names and places. Items enclosed in parentheses are usually comments or notes of the translators or indicate alternate spellings or meanings. Rev. Schmid's usage or meaning of the term "Gicht" (gout) is unclear because it is used for infants as well as adults. It may have been used to indicate "swelling" of some kind, but here it has been translated as "disease" or "paralysis".

Abbreviations used are yr(s). for year(s); mo. or ms. for month(s); ds. for day(s); Ev. for Evangelisch (Evangelical/Protestant) and Cem. for cemetery. Columns with no entry are indicated by three hyphens (---); and the end of each column entry is indicated with a semi colon (;).

Rev. Schmid's Death Records are in column format as follows:
(Left hand pages – a.) "Chronological Number" of the deceased for that particular year; Name of Deceased; Religion; Parents; Marital Status or name of spouse.
(Right hand pages – b.) Age; Cause of Death; Date and Place of Death; Date and Place of Burial.

BUCHANAN
YPSILANTI STATE HOSPITAL

Where were inmates buried if they died at the Ypsilanti State Hospital between 1929 and 1991? Some surely were taken to their family's plots, but what about those without family? There are 5 cemeteries close by in York Township: (Cook/Warner, Judd, Marble Park, Mooreville, York), and Union Udell in Ypsilanti Township. Was there one on the grounds?
